Who are we?
We are the spirit of today!

We are individuals — we make up a group not like any other group anywhere. We remain separate! We have different goals, different friends, even different ways of walking. Nevertheless, we stand together — we are a group.

We are bound together to achieve a common purpose — self-improvement. Our learning is more than just a moment; it is the future. We live for today as well as tomorrow. We must learn to face the world alone; we must learn to walk hand in hand.

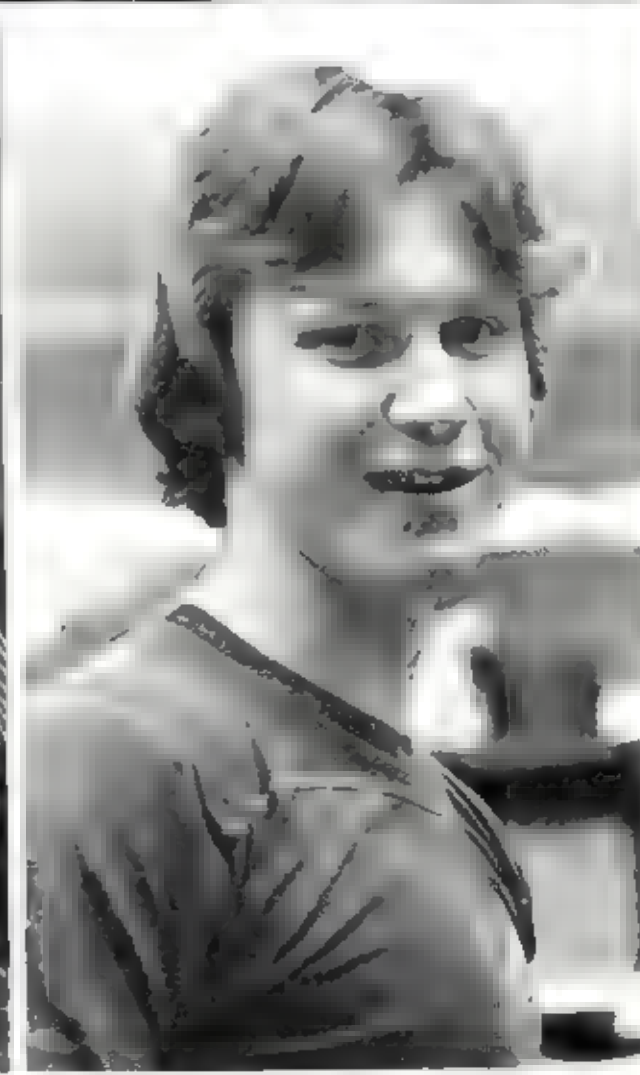

Who are we?
We are the lifeblood of today!

Out of the masses emerges the individual . . . one of a pair or one of a crowd. The individual in raw form is unique and beautiful, but too often he is lost in the whirlwind of society's conformity.

As we search for our personalized identity, we must remember that each moment makes up our hours . . . our days . . . our years . . . our lives. We must reach out and grasp the moments before they turn into years and are gone forever.

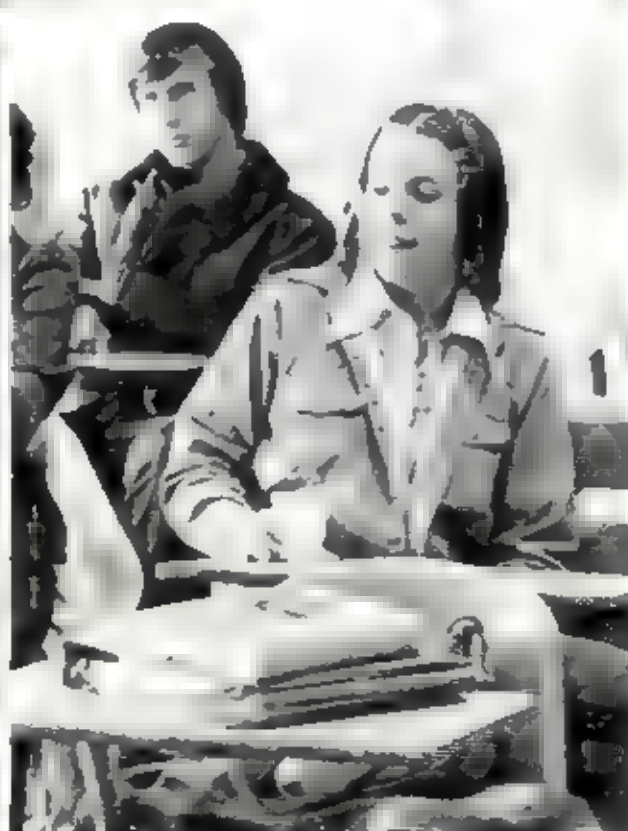

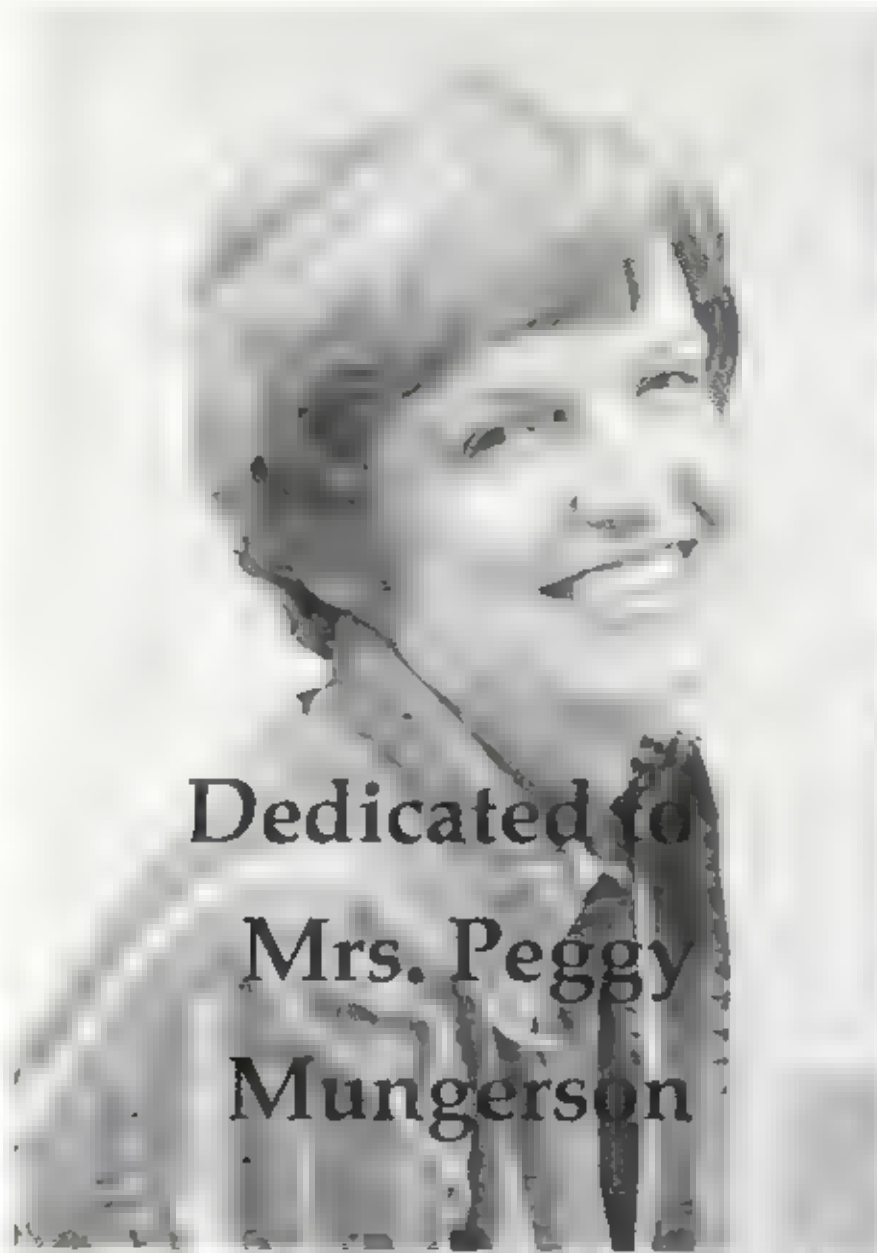

Who are we?
We are the heart of today!

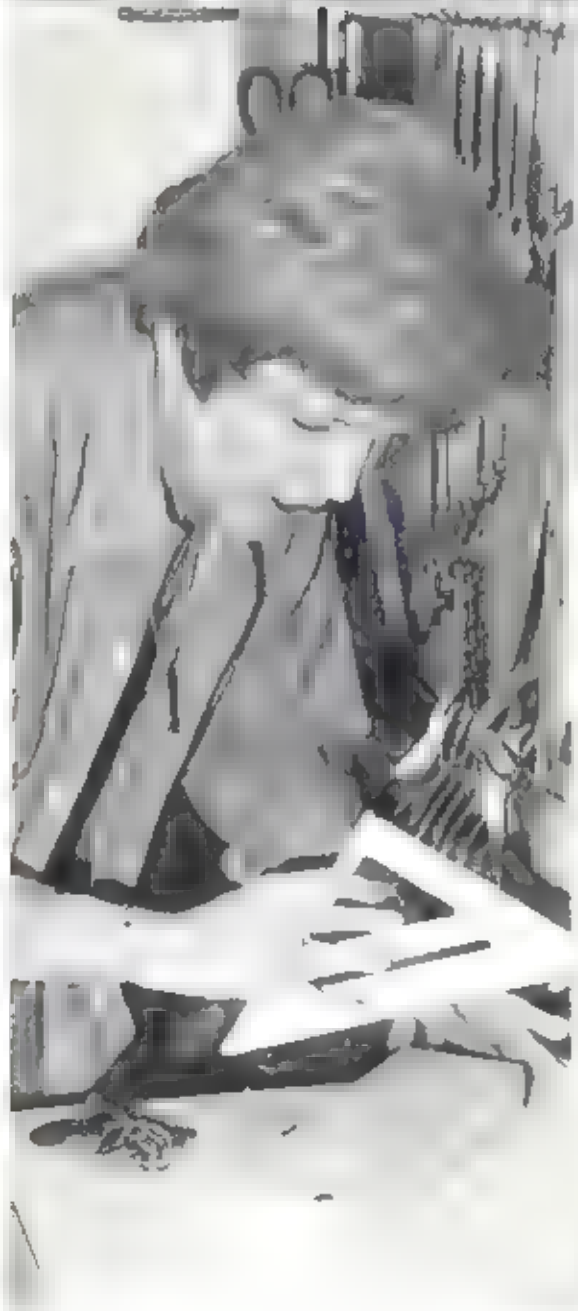

We relate to one another
with a word, a look, a
motion, a touch. We relate
one to one, one to two, and
one to many. How we relate
and what we relate is a
personal matter born in the
mind and the heart.

Look at the faces: they are
the windows of the heart;
they speak what words can
never say.

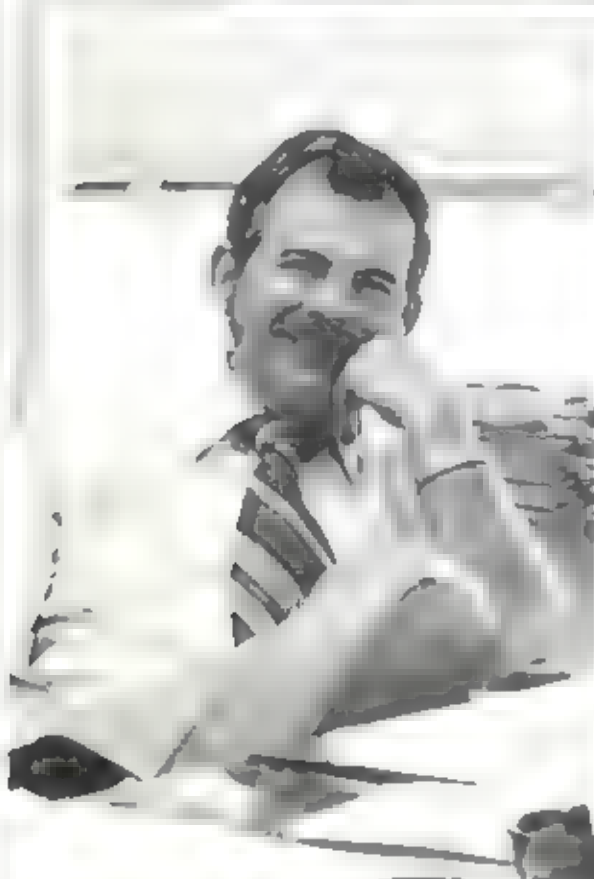

Dedicated to
Mrs. Peggy
Mungerson

to work . . .
it is the
price of
success.

Mike Warny is truly an outstanding person as well as a fine musician. His long list of achievements is not yet complete, although he has accomplished more in a few short years than most of us even dream of. To name just a few of these feats, Mike has repeatedly placed highly at UIL District, Region, Area, and State competition. He has also performed "superior" rated solos and ensembles. Furthermore, this past summer Mike was chosen as one of the two Texas representatives to the McDonald's All-American Band, one of the greatest honors a high school senior musician could hope for. Mike appeared with the band in two famous American parades and numerous concert performances.

However, the most surprising fact about Mike is that Band does not monopolize his time, energy, or interest. He serves as president of the National Honor Society, president of Columbia Players and Thespians, and vice-president of Student Council, as well as Band president. He was also voted Most Likely to Succeed Senior Boy by his fellow classmates.

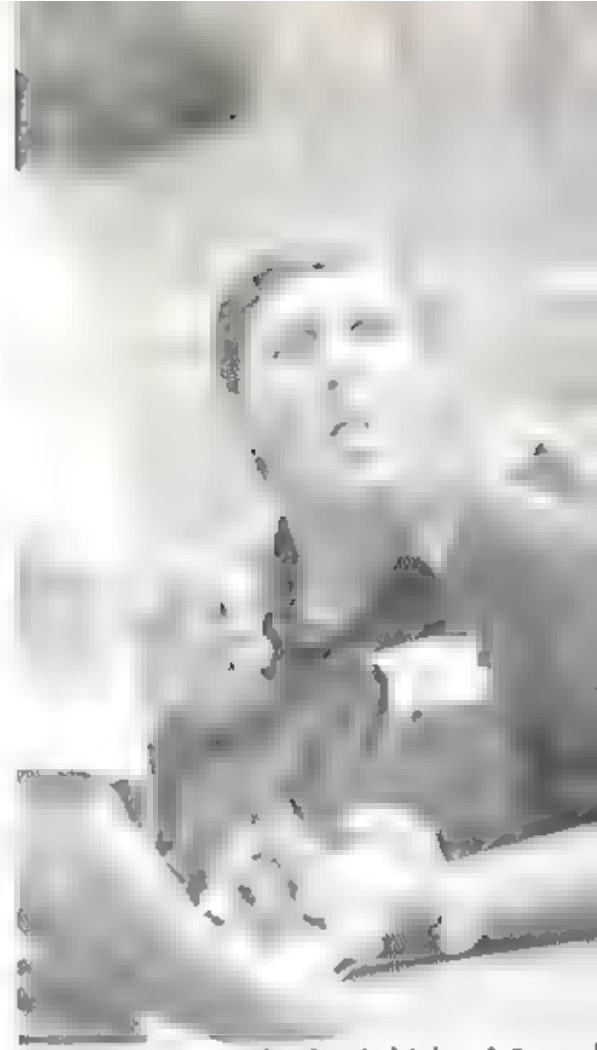

To sum up this obvious hero worship, it is the opinion of at least one student here at CHS that Mike Warny is indeed a great credit to this school.

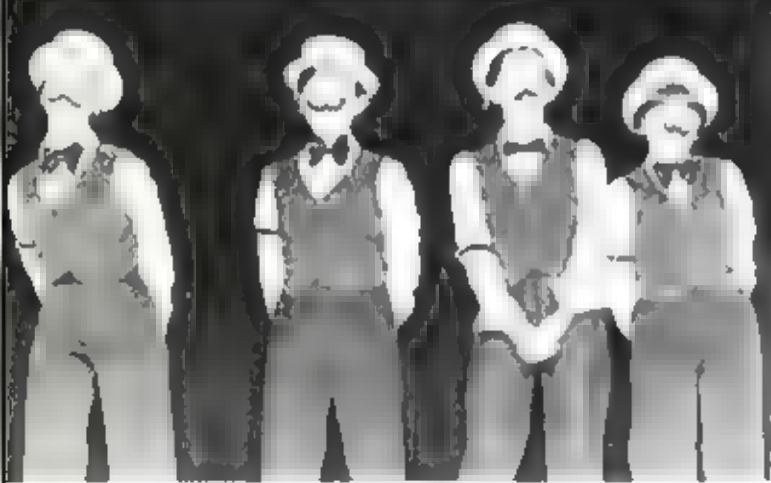

There's a fish in every crowd.

This is what Mr. Shepherd thinks of Georgia Judges.

Who are we?
We are the roots of tomorrow!

Without us there is no foundation, no strength, no security. We, the roots, give meaning to each new day. We, the roots of tomorrow, tie the world together and make it a better place for all.

We stand tall, not fearing tomorrow for it brings the happiness of today's victory. Happiness is a foothold of success — success within ourselves.

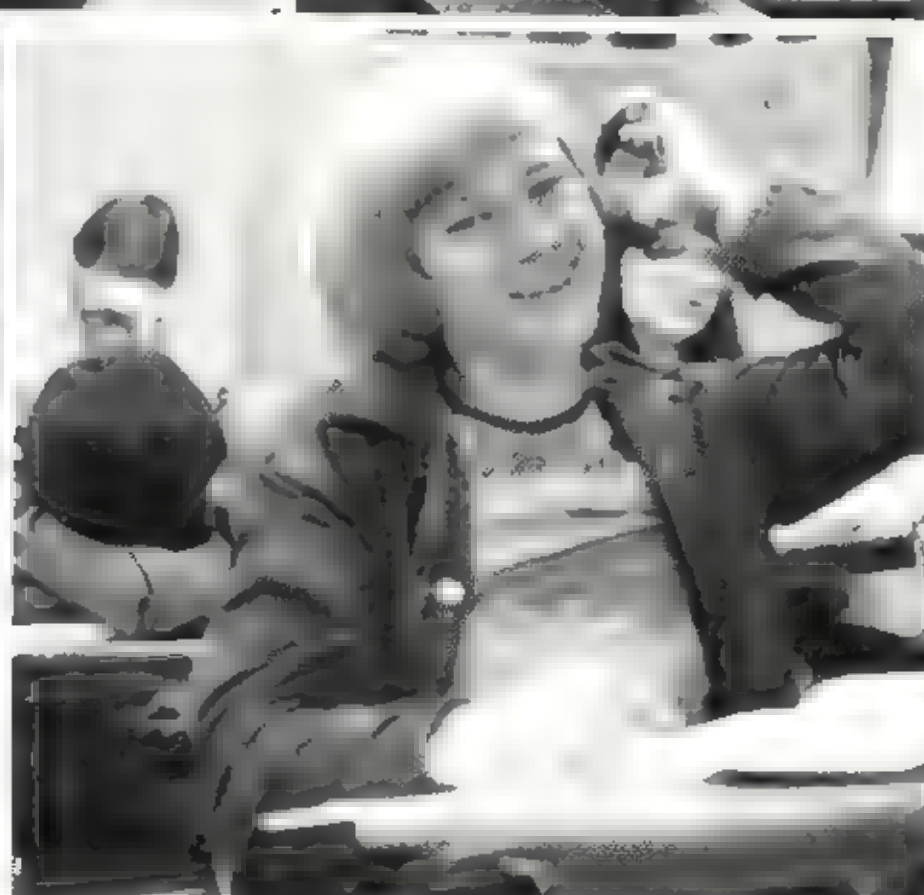

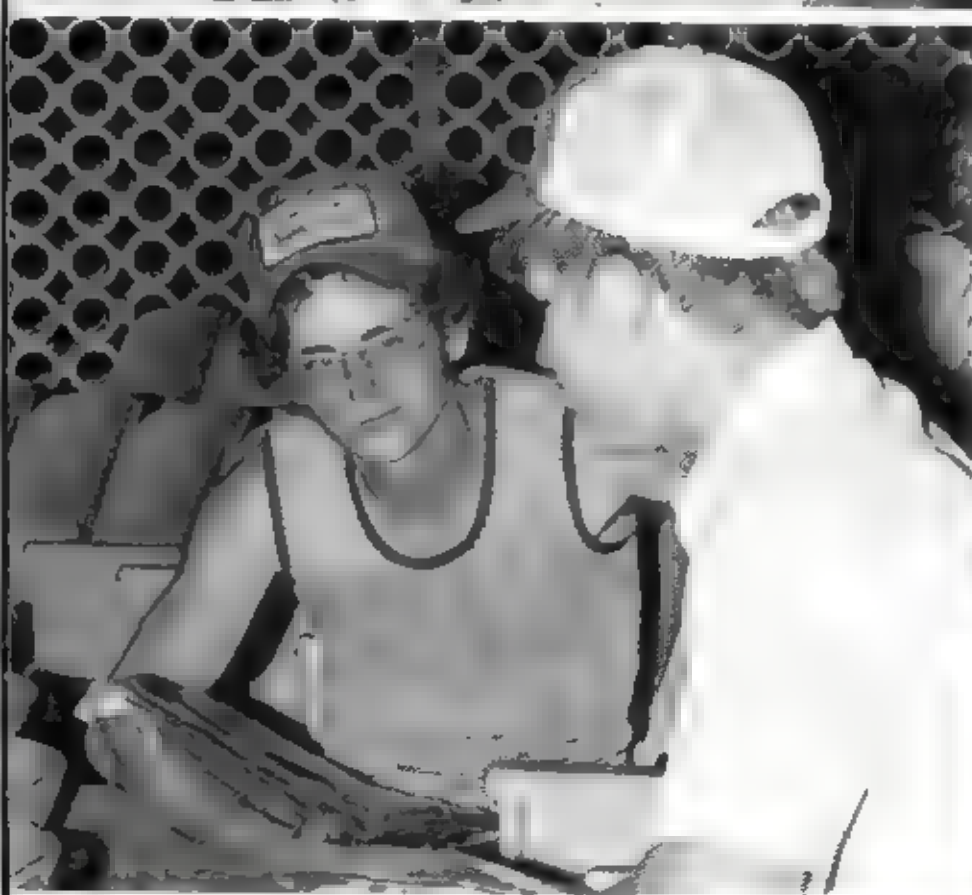

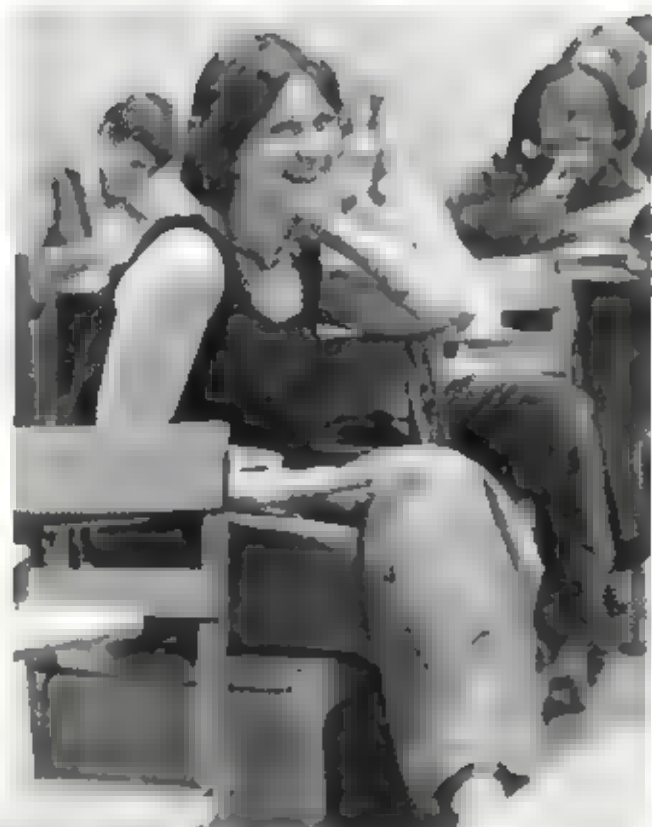

**Who are we?
We are the dreams of
tomorrow.**

In our hands lie the seeds of peace, of happiness, of serenity. We have the dream of a better tomorrow and of a better world. The shadows we cast today become the dreams of tomorrow.

We are holding the moments of today, but the future also lies in our hands. The moments are ours; the future is ours; and the world is ours.

Who are we?
We are the hope of tomorrow!

Our role is simple . . . we learn . . . we give . . . and we learn new extensions of ourselves.

We look above us and around us and we see no barriers for our souls, our dreams, and our hopes. Everyone of us must watch his path because there is a world to be born under our footsteps.

Autographs

Penny,
You're a
real nice and sweet
girl with a great personality.
I'm really glad that you
got twirled this year. Good luck
in the future, with the boys
and twirling. I know you'll
do good! Also may everything
you want out of life come to
you.

Friends
Forever,
Lauri Sh. 82
(hopefully)

Don't go a head
but stay as quiet
as you are and let
your friends know
that they're right.

Penny,
I think you are one of
the sweetest (and the
shortest! Ha! Ha!) people
I know. I'm really glad
you got twiller this year.
Stay like you are now
& keep up the good twilling.
Friends
Always,
Jackie
May
